Leia makes short work of rearranging your furniture to meet your needs. Choose Leia 4-leg or sledge to enable linking and for optimal stacking.

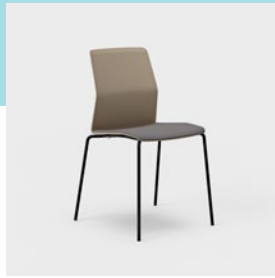

## PLAYFUL VARIATION FOR FLEXIBLE ENVIRONMENTS

- Ergonomic shell that reduces strain on your lower back and legs.
- Stackable and linkable – take out and put away as needed.
- The shell can be combined with five different underframes: 4-leg, sledge, low barstool, high barstool and 5-star base with castors.
- Available in 13 easily matched colours to make it easy to diversify your expression.
- Shell of polyamide has pleasant sitting qualities. Does not scratch easily and easy to keep clean.
- Available with upholstered seat in Kinnarps Colour Studio fabric.
- Awarded with the IF Design Award 2018.
