A COMPLETE COLLECTION

- The Oberon collection comprises desks, meeting tables, conference tables and coffee tables for furnishing entire environments.
- The desks are height-adjustable for the best possible ergonomics by allowing you to vary between standing and sitting work, but they are also available in fixed heights.
- Superior flexibility with great freedom to combine various desktop shapes and materials with a number of underframes and legs in wood or metal.
- The tables are linkable and you can add or remove table tops, corner tops and side panels as your needs change.
- Tabletops are available in many beautiful materials - veneers, stained veneers, linoleum and laminate - from Kinnarps Colour Studio.
- Flexible solutions for technology, audio and video make it possible to replace functions and modules as technology changes.
