

Slim and easily placed easy chair

Arriba is a comfortable piece of furniture with a slim and elegant appearance. The easy chair and two-seater sofa work well as standalone pieces or in groups. They fit into different types of meeting rooms and areas, social spaces, libraries, corridors or squares. Arriba is fully upholstered with soft and comfortable padding to provide good comfort. The armrests are shaped in a way to allow you to get close to the table for good sitting ergonomics, while also providing comfortable relief for your arms. The seat height is also customised to go with different types of meeting tables. The slim front legs give this piece an elegant and classic look. The conductive glides on the rear legs help Arriba stand steady on different types of surface.

Choose from the hundreds of fabrics in Kinnarps Colour Studio, which all meet stringent quality requirements.

Functions & options

PLASTIC GLIDES

Has plastic glides that make the easy chair and sofa stable.

ARMRESTS

The armrests are shaped to provide comfortable pressure relief for the arms and to get in close to the table for good ergonomics.

METAL LEGS

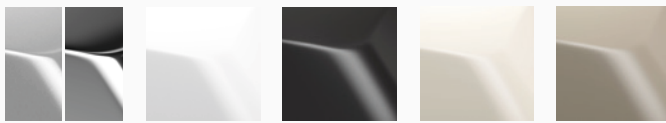

Has round metal front legs. The conductive glides on the rear legs help Arriba stand steady on different types of surface.

Colours & materials

Kinnarps Colour Studio (KCS) is our range of materials for offices, schools and healthcare facilities, with a focus on sustainability, quality and harmony. It offers attractive materials that have been carefully tried and tested for suitability and sustainability in different types of spaces. The wide range makes it easy to find the look and functionality you want. Wood, metal, plastic, and textiles, colours and patterns that are easy to mix and match with each other and the rest of the interior design. This is a well-thought-out range that provides a harmonised and sustainable overall impression, and makes it possible to choose the right material and the right colour for the right place and activity.
